

The Hampstead

2,158 square feet 3-bedroom home  2,323 square feet 4-bedroom home

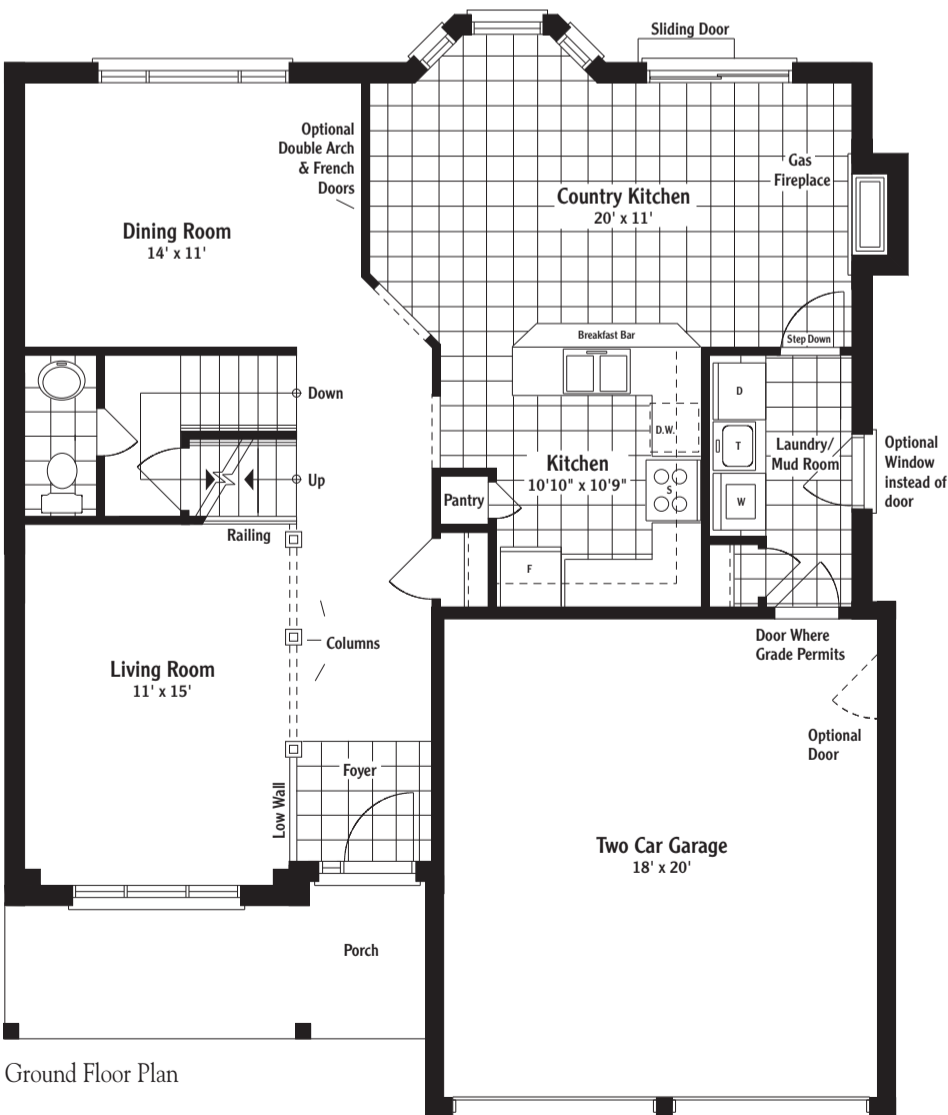

Imagine the exquisite view you'll have from the second level of the Hampstead overlooking the richly detailed living room. Double doors usher you from the gallery to the master bedroom with its vaulted ceiling and terrace doors leading out to a deck that is almost 20 feet long. A chaise lounge, coffee, orange juice and the morning paper. Aaahh!
